

CO-CURRICULAR ACTIVITIES

We at **St. Paul's School, Jhalamand, Jodhpur** believe that there is radiance in every child that is waiting to be kindled. It is our endeavor to develop the whole personality of the child through academics, sports and co-curricular activities and help him achieve balance and equilibrium in life, both in relation to self and to the rest of the world.

St. Paul's School, Jhalamand, Jodhpur, organizes a number of co-curricular activities for the multi-dimensional development of its students.

The school tries in every possible way to provide ample opportunities to each student to tap his potential in one field or the other. The aim is to find their strength and talents. The school offers a wide range of activities like:
