# Annual Report 2019-2020

A Good Year to all...
Principal of School, Fr. Jose Mathias,
Respected Manager of the School, Fr. Jose K Thomas,
Respected Vice – Principal, Fr. Santosh Francis, and
Other dignitaries, distinguished guests, parents, teachers and dear children

I think education is intended to replace an empty mind with an open mind. The whole purpose of education should be to build the mind that works and, by instilling in it a desire to learn, to unlock a child's ability so that it will continue to learn as long as it lives.

I deliver the Annual Report of the year 2019-20 with a deep sense of exhilaration and joy.

Student Annual Report articulates and illustrates our school's dynamic nature, our dedication to success, and our relentless pursuit of Our Best.

We've committed supportive instructors and dedicated support personnel working to help every child reach its potential. The staffs have high expectations and follow a wide range of creative teaching practices.

On this glorious day, I praise each and every one of you for your support and encouragement; the commitment and untiring devotion that brought **St. Paul's School Jhalamand** to the soaring heights of accomplishment and achievement.

"Excellence is a practice, not an act." Looking back on our journey over the past 10 years serving the cause of quality education, we are both happy and proud of the memorable milestones we have crossed and the great steps we have made within this span of time in every field of activity. Our power has rising in leaps and bounds ever since its inception.

We now have 1241 students, 56 qualified and dedicated teachers, and 20 support staff, and we also stand tall among other schools of C.B.S.E.

This year was a truly rewarding year with its spice and tastes every day to savor. I wish to start with our overall sports & academic performance.
