# PAULINE HERALD

DECEMBER 2025

Across the globe, hearts unite today in celebrating Christmas—a radiant day woven with threads of peace and boundless joy. In the humble town of Bethlehem, when Jesus, the Savior of humanity, entered our world, heavenly angels filled the night with song, proclaiming peace to all people of goodwill. Born not in a palace of grandeur, but in a simple stable among the meek, he revealed a profound truth: the humble and pure of heart shall inherit the earth.

True peace blooms not from grand gestures, but from the soil of goodwill toward one another, nurtured by tolerance for every caste, creed, and soul. Humility opens our eyes to the sacred equality of all people—this is Christmas's whispering promise.

In the whirl of festivities and fleeting merriment, let us not lose sight of Christmas's sacred core: God's boundless love for the deprived and oppressed. Where hope kindles, love endures, light pierces darkness, and life flourishes, there unfolds the grand plan and purpose of the Divine.

May this Christmas fill your homes with its true spirit. Wishing you all a blessed and joyful celebration.

YEAR OF  
VIBRANCE**

## Lead, Inspire & Serve

From students to leaders, from dreams to action, the Investiture Ceremony marks the rise of tomorrow's change-makers. It is a momentous occasion where potential is recognized and responsibility is bestowed upon the newly elected student council.

This significant event symbolizes the transfer of authority, as the outgoing leaders pass the torch to the new incumbents. With heads held high and hearts full of purpose, these young leaders take solemn vows to uphold the school's values, foster a positive community, and dedicate themselves to the service of their peers. The ceremony is a powerful affirmation of faith in the capabilities of the youth, setting the stage for them to transform their visions into tangible, impactful realities.

## Shades of Patriotism

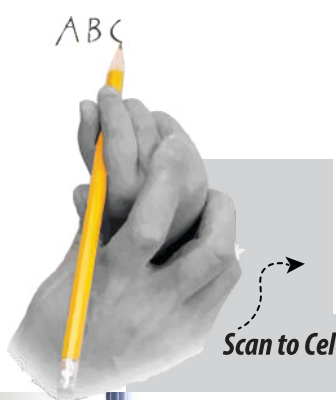

National festivals bring us together, celebrating colours of culture and courage. From flag to freedom, we honour the past, and inspire the leaders of tomorrow. The Independence Day celebration is a powerful reminder of the sacrifices made by our freedom fighters, filling our hearts with immense pride and patriotism. As the tricolour unfurls against the sky, it renews our collective pledge to work towards a united and prosperous nation.

## Radiance of Diwali

The celebration reached a spiritual high point with a beautiful and moving Ramayan act. Students, through their heartfelt portrayals, brought to life the eternal ideals of truth, courage, and unwavering devotion. The audience was captivated as the core narrative of the epic unfolded, serving as a powerful reminder of enduring virtues and timeless moral lessons. This theatrical presentation effectively connected the young performers and the audience to the rich cultural and spiritual heritage of the Ramayan.

Following the impactful dramatic presentation, the event transitioned into a series of vibrant cultural performances. These acts showcased a diverse array of talent, adding immense grace, rhythm, and color to the celebration. The energy shifted to a joyous display of art and tradition, featuring dances and musical pieces that beautifully complemented the solemnity of the preceding act. The collective performances created a festive and uplifting atmosphere, ensuring a memorable experience for everyone present.

## TRIPS. TRAILS. AND SMILES

The school picnic offered a perfect blend of adventure and happiness. Students enjoyed games, food, and nature while creating moments to cherish forever.

The day began with an eager gathering, the usual school bustle replaced by the animated chatter of students anticipating a day away from the classroom. The destination, a picturesque park nestled near the foothills, provided an idyllic escape. Upon arrival, students quickly dispersed to explore the vast greenery, embarking on nature walks that revealed hidden streams and vibrant wildflowers. The air was filled with excitement as various activities commenced; a spirited game of rounders drew enthusiastic participation, while others opted for quieter pursuits like sketching the scenic landscapes.

Health and hygiene are essential for overall well-being. Maintaining good health involves proper nutrition, regular exercise, and sufficient hydration, while hygiene focuses on cleanliness to prevent germs and illness. Key practices include handwashing, dental care, bathing, and wearing clean clothes. Adopting these habits promotes physical fitness, energy, and a positive mood, enabling individuals to stay healthy, happy, and ready to engage actively in daily life.

## THE JOURNEY OF STUDENT'S LIFE: DREAMS AND STRUGGLES

Student life is a challenging yet meaningful phase filled with academic pressure, emotional struggles, and social expectations. While students work hard to balance studies and extra-curricular activities, the pressure to achieve high marks often affects their mental health. Despite these difficulties, their persistence and discipline help them grow and move toward their goals. Although marks are visible to everyone, the hard work and challenges behind them often go unnoticed. In the end, the struggles of students life play an important role in shaping a successful future.

Lakshya Rathore (X-Iris)

Ridhi (VII-Rose)

Self-discipline is the ability to prioritize long-term goals over immediate pleasure. It requires self-awareness, the replacement of bad habits with good ones, and consistent effort to build mental resilience. By practicing discipline, we strengthen our reliability, self-respect, and personal mastery, ultimately gaining the freedom to shape our own lives.

“Brain rot” describes the loss of focus and mental clarity caused by constant exposure to fast, dopamine-driven digital content. As short-form media rewires attention spans and weakens real-life connections, many-especially young people-experience distraction, fatigue, and reduced patience for deeper thinking. Yet this impact is reversible through mindful digital habits, balanced screen time, and richer offline experiences. The phenomenon ultimately highlights the need to use technology consciously while preserving focus and genuine human connection.

## कविता फूल की शांति

नरम मिट्टी की गोद में,  
एक फूल था शांत पला।  
बिना बोले ही वह दुनिया को,  
अपना प्यार हर दिन दे चला।  
हवा ने जब उसे सुआ,  
फूल ने होले से कहा -  
शांति कोई आवाज नहीं,  
ये मन में बसने वाली दवा।  
धूप भी जब तेज हुई,  
वो झुका नहीं, मुस्कया था।  
अपने सौम्य स्वभाव से उसने,  
हर कठोर पल को हसया था।  
फूल ने आखिर ये सिखाया -  
“सच्ची सुंदरता दिखती नहीं।  
जो बिना शोर के खुशबू दे,  
वही शांति है, वही जादू सही।”  
धन्यवाद।

Divyanshi (V-Lily)

Antimatter, costing about \$62.5 trillion per gram, is far pricier than diamonds. Made of antiparticles, it occurs naturally in cosmic rays and is produced at CERN. Stored in magnetic traps, it's used in PET scans, space propulsion, and physics research. Exotic forms include antihydrogen and positronium. Antimatter is a rare, valuable, and fascinating discovery.
